Dear Land Owner:

Earlier this year, the South Carolina Department of Natural Resources (SCDNR) acquired part of what is commonly known as Goodwill Plantation and is managing the property as the Wateree River Wildlife Management Area. This property was acquired with the intent of providing traditional outdoor recreation opportunities to the public and conserving the natural resources of the area. The SCDNR is now pursuing the purchase of an adjoining tract known as the Indigo Gun Club. The SCDNR is proposing to renovate this range and open it for recreational shooting opportunities.

You have been identified as owning property within a one and a half mile radius of this location; therefore, we wish to invite you to an information sharing session regarding this project. We will meet at the Crossroads Community Center on December 14, 2015 at 6:00 PM. The Crossroads Community Center is located just off of HWY 378 at 2750 McCords Ferry Road (HWY 601) in Eastover, SC.

I look forward to seeing you on December 14<sup>th</sup> and discussing the Indigo Gun Club proposal with you. If you are unable to attend the meeting, please feel free to contact me at (803)734-3995.

Sincerely,

Jeff Boyer  
SCDNR Shooting Range Coordinator
